

## PROXY STATEMENT SUPPLEMENT

On or about June 15, 2021, Metro One Telecommunications, Inc. (the “Company”) furnished or otherwise made available to shareholders its Proxy Statement (“Proxy Statement”) describing the matters to be voted upon at its 2021 Special Meeting of Shareholders (the “Shareholder Meeting”), to be held on Wednesday, June 30, 2021, at 10:00 AM ET, as a virtual meeting that can be accessed on the following site: <http://issuerservices.us/metro-one/>. This supplement amends the Proxy Statement and should be read in conjunction with it. It is first being furnished or otherwise made available to shareholders on or about June 17, 2021.

Due to a calculation error, each share of convertible preferred stock will be convertible into a lower number of shares of common stock than the number stated in the Proxy Statement, resulting in less dilution to common stockholders. Each share of convertible preferred stock will convert into 71,683.25 shares of common stock, rather than the 77,916.58 shares of common stock indicated in the Proxy Statement. In addition, share numbers in the Proxy Statement derived from the lower conversion rate will change accordingly as a result thereof.
